Joseph Hamilton

February 8, 1987 - June 13, 2005

Joe died on June 13, 2005.

He would have been a senior this year, and graduated with the class of 2006.

We will never forget you, Joe.

We love you!

Joe, the way I remember him, was a free-spirited kid. He loved Cradock and all of his friends. He had many favorite hobbies which were walking around the neighborhoods, hanging out, meeting new people, and parties.

-Kimberly Brock

I didn't know Joe much out of school, but of what I knew, he was a good guy. He didn't have many friends, but he loved them with everything that he had. Joe, we miss you down here. I wish I would have taken the time to get to know you better. Rest in peace. I'll be seeing you..

-Lindsay Johnson

Joe was a fun loving, fast acting guy. He loved all of his friends dearly and would do anything for them. He never changed for anyone. I will always miss him dearly.

-Magan Clifford

Joe was a great guy. He had a wonderful personality that was easy to get along with. He was really outgoing and very loving. He was always smiling, and loved to keep you laughing. He's missed dearly, and won't be forgotten.

-Jessica Miller

Rest in peace Joe,
Hope you are happy where you are.
I'm sorry to see you go,
Away so very far.
But hopefully...
I'll see you again someday.
When my time comes,
You can meet me at the gate,
And through those streets of gold,
We may walk together in our fate.
But until then i wish you well,
Until the toll of my death bell....
Goobye, Joe.

Baby Girl

"Daughter"

A daughter is a wonderful blessing,
A treasure from above.

A daughter brings a special joy,
That comes from deep inside.
And as she grows to adulthood,
She fills your heart with pride.

No words can describe the warm memories,
The pride and gratitude, too.
That comes from having a daughter,
To love and to cherish... just like you!

You are LOVED SO MUCH Baby Girl!

It seems like just yesterday you were born and in a blink of an eye we were taking our little bundle of joy to school for the very first time. When we blinked again, you were in middle school. One more flash in time and we are watching our young man walk across the stage receiving his high school diploma.

Today and always we are so very proud of you. We wish you love and success throughout life's journey, but most of all, we wish you happiness. For life is too short, so enjoy every minute of every day. Never settle for less and remember, we will always love you and be there for you.

Love Always,
Mom and Dad

Life is a journey. On that journey we pick up tools to help us accomplish certain tasks and goals. Do not find yourself missing certain tools when an important goal in life comes up. Remember, you only come this way once.

Amber,

I'm so proud of you sweetheart. You have done a great job in school, especially this last year. At times it's been tough, but you always did your best and stuck things out. You've become a bright young woman, and I'm sure you will go far in life and in everything you do. I love you so much!

Congratulations baby, you did it!

Today, Tomorrow, and Forever,

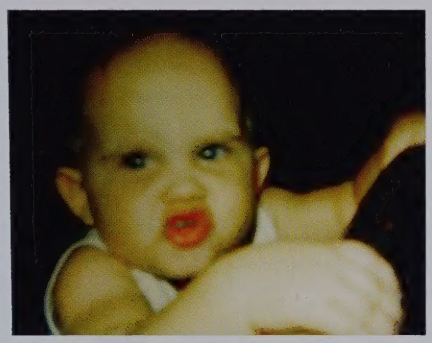
Congratulations! Elizabeth Amber Chrisman

Your daddy and I are so very proud of you. You have made the entire family proud of you. I told you to reach for the stars, and let nothing get in your way, and you did!

You were always the sweetest baby and such a thoughtful, caring, loving, precious little girl. You have always been beautiful both inside and out. You have always been a blessing in all our lives, and our lives have been so much richer because of you.

So you keep reaching for those stars Sweetpea, for there is yet a many long road to go, but you have what it takes to get there. You will forever have our unconditional love, honor, and respect.

Love always, Mamma, Daddy, and the Entire Family



CONGRATULATIONS! D.C.
